Response to Amendment

1. This action is responsive to Amendments received on 3/20/2006.
2. In light of amendment to claims 1 and 4, rejection of claims 1-4, under 35 USC 112, 2nd Paragraph, is now removed.

3. Claims 1-12 are allowed over prior art of record.

The following is an examiner's statement of reasons for allowance:

The closest cited art, Nakamura, US 2001/0008524, and Miura, EP 0982871 A2, alone or in combination, fail to disclose the unique random access method step of "storing propagation delay times for terminals which received signals for rejecting random access and, based on it, assessing random access priority" as in claims 1, 5, 8, 9 and 11. It renders the claims allowable.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

4. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Afsar M. Qureshi whose telephone number is (571) 272 3178. If attempts to reach the examiner by telephone are unsuccessful, the examiner's
